

# **WANDERING LIFE**

Tanya Gould ©2007/2014

## **Verse 1**

Wandering life trying to find your place  
Hope with all your might you will find what your heart is searching for  
A place that feels right

## **Verse 2**

Wandering life, trying to make your way  
Pushing through the night, where you laid your soul bare to the heavens  
To wait for that flash of light

## **Chorus**

Wait and trust, believing the answer will come  
It must, the promise is given  
For one who would seek Him with all of their heart  
They will find Him

## **Verse 3**

Wandering life, filled with wondering thoughts  
Asking with your mind, all those question marks  
Lining the road, take the footpath leading to life

## **Bridge**

And the wonder of life is the path is not straight  
It is uphill and down and can feel like a rat race you are running to win  
When the fear overtakes, breathe and wait  
Breathe and.....
